**Borough of Berwick
Street Opening Permit**

All permits for any opening or excavation in public street, public alley, or public ground shall be issued subject to conditions and requirements of the Borough of Berwick Ordinance, at the very least, Chapter 91 Excavations of the Berwick Borough Code. Any applicant who begins to perform any activities authorized by the permit shall be deemed to have accepted all of these conditions. Copies of the Ordinance are available for inspection at the Borough.

I hereby certify that I will indemnify and save harmless the Borough of Berwick and its officers from all liability for accidents and damage caused by any of the work covered by this permit, and that I will fill up and place in good and safe conditions all excavations and openings made in the street, and will restore the pavement over any opening I make to the state and condition in which I found it, and shall keep and maintain the same in such condition, normal wear and tear excepted, to the satisfaction of the Borough's representative for a period of two (2) years, and that I will pay any and all fines imposed on me for any violation of any rule or regulation adopted by the Borough governing street openings, and that I will repair any damages done to existing improvements during the course of my work in accordance with the regulations of the Borough. I also understand that the Borough of Berwick may require me to repave the entire section of road in which I worked.

I further certify that I will pay such actual costs and expenses as may accrue to the Borough of Berwick should the Borough elect to repair and / or maintain the street opening for a period of two (2) years.

I further understand that I must grant the right of entry to the work described above, to the designated personnel of the Borough for the purpose of inspecting, monitoring, and maintaining compliance with the aforesaid.
